Mr. Thomas J. Sugrue  
Chief, Wireless Telecommunications Bureau  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, D.C. 20554

Re: CC Docket No. 94-102 – In the Matter of Revision of the Commission's Rules  
To Ensure Compatibility with Enhanced 911 Emergency Calling Systems

Dear Mr. Sugrue:

In response to your letter of July 29, 2002, ALLTEL respectfully submits the attached report of its wireline affiliates regarding their readiness to support E-911 implementation for CMRS carriers. It should be noted that among those affiliates, ALLTEL Nebraska, Inc. is the only ILEC that maintains an ALI database.

Please contact me in the event you have questions regarding this report.

Very truly yours,

Glenn S. Rabin  
Vice President  
Federal Communications Counsel
